

Foreign Trade Traineeship

Your profile:

- Completed studies of agricultural science, business administration, or economics
- Fluent English language skills (ideally acquired abroad), and skills in a further foreign language
- Interest/enthusiasm for worldwide trade with agricultural commodities
- Negotiating skills, assertiveness, perseverance

We offer you the opportunity to collect practical experience in the operative departments of our company in the sector of international trade with agricultural commodities. The duration of the traineeship is usually 18 months. Entry is possible at any time. In-house language courses and specialized seminars complement the practical training. After successful traineeship completion, we would be happy to accept you into an indefinite employment position, where subsequent deployment to one of our foreign branches is a possibility.

We keenly anticipate your application. Please send it to the following address:
